

SAP S/4HANA Finance Bundle

Get up and running quickly with a fixed scope, fixed fee implementation package

Empower your organization with a packaged solution from an SAP-qualified partner that can get you up and running quickly. Our SAP S/4HANA Finance Bundle utilizes proven implementation best practices, a fixed 12-week timeline and a cost-effective price, enabling you to invest in technology and innovate quickly, while benefiting from powerful functionality and capabilities of market-leading SAP solutions. The offering is ideal for mid-market organizations, new acquisitions, and high-growth start-ups.

With the SAP S/4HANA Finance Bundle you get core finance capabilities:

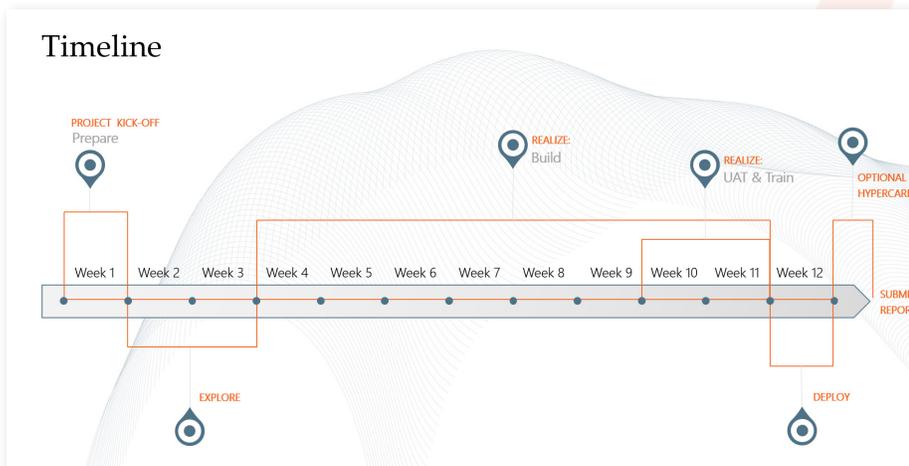

- Finance + S/4 Analytics
- General Ledger
- Account Payable
- Account Receivable Asset
- Accounting
- Bank and Cash Journal
- Bank Reconciliation
- Cost & Profit Center

Benefits:

- Implement SAP quickly with a defined price and scope
- Manage licensing, implementation and support costs up front
- Leverage proven processes and technologies
- Gain enhanced insights into your financial data
- Achieve faster return on investment
- Reduce risk
- Build solid foundation to support future growth plans

Fixed Scope and Fee:

| | |
|---------------------|----------------------|
| 12 Weeks | \$250K |
| Implementation Time | Implementation Costs |

Boost your system analytics!

Combine your S/4HANA Finance Bundle with the KPI Add-on and get extended KPI and analytics capabilities.

Get started today! Set your business up for continued growth and success with an implementation bundle from Argano. **Contact us** today to learn more!

KPI Add-on Option

Extend your S/4HANA Finance Bundle with a KPI add-on to boost your system analytics. This package takes critical KPIs for finance executives and injects them into your S/4HANA Finance Bundle project for enhanced visibility to drive faster, better decision making.

The KPI add-on package can be implemented as a standalone project in just 12 weeks for \$75K. When implemented in conjunction with the S/4 Finance Bundle, the total implementation time is 14 weeks at a cost of \$325K.
